# Iowa

CN Police Special Agent **Jeffrey Price** (second from right) attended a tree-planting event in Cedar Rapids, where a \$25,000 grant from CN will help the city replant the tree canopy lost in a hurricane-force windstorm in 2020.

## IOWA IN NUMBERS

As at December 31, 2022

Petroleum

Through our subsidiary, the Chicago, Central & Pacific Railroad, CN's rails stretch the breadth of Iowa, from the Missouri River in the west to the Mississippi in the east. We carry a wide variety of manufactured and industrial products like food, machinery, electrical equipment, chemical products and primary metals. In addition to serving local businesses, CN's ethanol franchise is centered in the Hawkeye State with several plants along the route between Dubuque and Sioux City and Council Bluffs. The largest rail yard and facility on CN's Iowa network is in Waterloo.

## Network Investments

Over the past decade, CN has invested more than US\$300 million to build and maintain a safe and efficient network in Iowa and to support our supply chain partners. The program focused on the replacement of rail and ties, plus maintenance of bridges, public crossings, culverts, signal systems, and other track infrastructure.

## Community Partnerships

In 2022, CN contributed to several Iowa-based organizations, including:

**AMERICA IN BLOOM** CN *EcoConnexions* contributed to America in Bloom to promote beautification in Cedar Rapids and Dubuque by planting trees and shrubs.

**CEDAR VALLEY UNITED WAY** Cedar Valley United Way provides programs to support individuals and families as well as improve community conditions across the Cedar Valley. CN contributes specifically toward Childhood Success, Youth Success, Economic Mobility, and Access to Health.

**COMMUNITY HEALTH CENTER OF FORT DODGE** The Community Health Center of Fort Dodge has been serving the men, women and children of the community and surrounding areas as a federally qualified health center since 2006 and as a free clinic since 1999.

**COLWELL FIRE DEPARTMENT** CN's donation allowed the Colwell Fire Department to purchase extraction equipment, enabling the Colwell FD to perform vehicle extrications at accident scenes and helping to make the community safer.
