CN Worldwide Freight Forwarding Services

Offering a full suite of integrated logistics solutions for seamless **door-to-door** service

CN082016

Global forwarding solutions to move your cargo along the best supply chain routes.

Our global team of logistics experts have in-depth knowledge and strong relationships with major carriers around the world. Being one of the only freight forwarding companies owned by a railroad, we offer exceptional North American port-to-rail connections, equipment availability and infrastructure integrity for seamless service at a competitive cost.

Consistent reliable service

- Trip plan for every shipment
- Standard operating procedures for every route
- Shipment tracking and pro-active notification with ETA's
- Pipeline management to minimize dwell times
