

## Trucking Company Driver Registration for CN's new Chicago *SpeedGate*

Pre-register your driver today for CN's new automated gate system and avoid delays at the gate during your driver's next visit. All drivers must be registered prior to January 10th, 2011 in order to have access to the Chicago Intermodal Terminal.

### Before a driver can register you will need to:

1. Provide written confirmation that a driver works for you or is hauling for you.
2. This confirmation needs to be on your letterhead and must include a contact name and phone number (we may call to verify).
3. You should then either:  
E-mail the form to: [ags-chi@cn.ca](mailto:ags-chi@cn.ca)  
Fax the form to: 1-877-262-6770  
Or have the driver bring the form when he comes to register
4. In the future, you should also advise us when you add or change drivers that are working or hauling for you.

### When the driver registers they will need to:

1. Bring their driver's license and a list of companies they drive for.
2. Provide a biometric scan of their index finger.
3. Allow for about 15 minutes to get registered.
4. Sign a privacy consent form.

### Where to register:

Registration will take place at the MIT building located at 16800 South Center adjacent to the current outgates. Drivers should plan to register after they outgate. You may call (708) 332-3903 for more information.
