*For a complete list of commodities contact your account manager.

Peat Moss

Pet Food

Soy

Flours

Cream Substitute

CN in partnership with KCSM is pleased to announce a **new cross border inspection service** implemented by the Mexican government, that will allow intermodal shipments to cross into Mexico prior to being inspected.

The new SENASICA* inspection points are located in Mexico City at KCSM's **Puerta Mexico Intermodal Terminal** and Terminal Ferroviaria de Valle de Mexico's (TFVM) **Pantaco Intermodal Terminal**.

* Servicio Nacional de Sanidad, Inocuidad, y Calidad Agroalimentaria (SENASICA)

Expand your reach into the largest growing market in North America with CN's door-to-door service.

- 24/7 tracking of shipments
- 24/7 customer service
