Western Tennessee is CN's gateway to the south. CN's yard in Memphis is a major freight handling point and the hub of CN's U.S. operations south of Chicago. It is one of only two hump yards in the U.S. (CN has four hump yards on its entire network) and serves as an interchange point with four other Class I railroads. The Memphis Yard is also the location of a major CN railcar/locomotive repair shop.

Memphis is home to an important CN intermodal terminal. CN also serves President's Island, an industrial core in Memphis. The birthplace of rock 'n' roll boasts distribution facilities for forest products, metals and automobiles as well as a CN CargoFlo® bulk handling centre and a logistics park. Amtrak's City of New Orleans service operates on CN tracks and stops in Memphis. More than 530 CN railroaders live and work in Memphis.

Network Investments

Over the past decade, CN has invested more than US\$300 million to build and maintain a safe and efficient network in Tennessee and to support our supply chain partners. The program focused on the replacement of rail and ties, as well as maintenance of bridges, public crossings, culverts, signal systems and other track infrastructure.

Community Investments

In 2023, CN contributed to several Tennessee-based organizations, including:

AMERICA IN BLOOM CN EcoConnexions contributed to America in Bloom to promote beautification in Tipton County by planting trees and shrubs. Throughout the U.S., America in Bloom and CN completed 13 tree-planting projects in 2023. Together, we have planted more than 70,000 trees, shrubs and perennials along our U.S. network since the beginning of our collaboration in 2014.

MEMPHIS IN MAY INTERNATIONAL FESTIVAL Memphis in May promotes and celebrates Memphis culture, fosters economic growth, and enhances international awareness through education. Memphis in May hosts the city's largest events like the Beale Street Music Festival and the World Championship Barbecue Cooking Contest.

NATIONAL CIVIL RIGHTS MUSEUM To commemorate Black History Month, CN donated to the National Civil Rights Museum. Located at the former Lorraine Motel in Memphis where Dr. Martin Luther King Jr. was assassinated more than 50 years ago, the Museum tells the story of the struggle for human rights in America.

ALPHA OMEGA VETERANS SERVICES Headquartered in Memphis, Alpha Omega Veterans Services assists military veterans to reintegrate into society, often after achieving recovery and rehabilitation from debilitating mental and physical conditions.

YOUTH VILLAGES With three locations throughout Tennessee, Youth Villages is dedicated to helping emotionally and behaviorally troubled children and their families live successfully. CN sponsored the organizations 5K run fundraiser.

ST. JUDE CHILDREN'S RESEARCH HOSPITAL St. Jude is leading the way the world understands, treats and defeats childhood cancer and other life-threatening diseases. Consistent with the vision of founder Danny Thomas, no child is denied treatment based on race, religion or a family's ability to pay.
